Welcome to Save the Train Casino Night

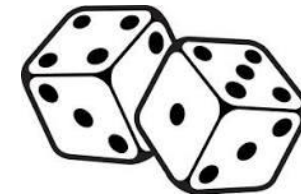

You have received a program with your unique number to use for an evening of fun at the Save The Train Casino Night Fundraiser. Use this number for the following activities:

- Raffle Tickets – Write your number on the back of each ticket.
- Silent Auction – Write your number on the silent auction bid form.
- Live Auction Bids – Hold up the back of your program to bid on the live auction items.

You will receive \$200 in “Kiddieland \$ Bucks” to buy casino chips from the dealers.

- If you are not a gambler. No problem! Cash out your “Kiddieland \$ Bucks” right now for 4 raffle tickets and a chance to win an item of your choice.
 - Purchase raffle tickets only?
 - \$10 = 4 raffle tickets
 - \$20 = 10 raffle tickets
- Feeling lucky? Turn that \$200 into more chances to win. When you cash out at the end of the evening, each \$50 in “Kiddieland \$ Bucks” earns you 1 raffle ticket.
- Busted out early? We got you covered. You may buy more “Kiddieland \$ Bucks” until 9:00 p.m.
 - \$10.00 = \$200 in “Kiddieland \$ Bucks”
 - \$20.00 = \$500 in “Kiddieland \$ Bucks”

When you are done bidding, please visit one of the cashiers to close out your bill.

Maxi Train

Sound in motion

Adding realism to the train triggers a child's imagination and captures the attention.

The faster the train moves, the faster the rhythm of the sounds. Similarly, as the train slows down, the output flow of the sounds will also decrease. Also provided are bell and whistle sounds that are triggered by their own switch and independent volume controls.

This feature comes standard with every model.

Wheels in motion

Adding another feature that creates realistic experience that will capture everyone's attention.

With the Wheels In Motion, the three decorative train wheels on both sides of the locomotive rotate at variable speeds and in tandem with the speed of the train.

Option available for: Mini and Maxi Express

Smoke machine

By simply pressing a button, the conductor will instantly generate smoke.

The liquid that evaporates is glycol based. It is safe and non-toxic and can be used in an indoor operation. The smoke machine has its own battery and recharging system which is controlled by a microprocessor.

Option available for: Mini and Maxi Express

Audio package

PA-amplifier, speakers and 12-volt power supply in all wagons.

Plug your MP3 player into the amplifier. Create playlists.

The optional gooseneck microphone allows the driver to keep his eyes on the road while talking.

The 12-volt power supply is located under the seats of each wagon and can be used for; party lights, lights in the carriages and other applications.

Option available for: Mini and Maxi Express

Camera with monitor driver

To provide a good view of the blind spot in front of the locomotive, we can outfit the locomotive with a wide-angle camera and monitor that facilitates driving.

Option available for: Mini and Maxi Express

Anti-collision system

The ACS is intended to improve the safety of the general public when the train is used in busy or confined areas.

The system assists the driver by giving a warning if a person or an object is in the blind spot of the locomotive.

Option available for: Mini and Maxi Express

Safety package

For all Maxi Express trains with 4 wagons we strongly recommend having the Safety Package installed.

The package consists of an Electric braking system for the third wagon.

Option available for: Maxi Express

ADA caboose

ADA stands for American with Disabilities Act: a law that prohibits discrimination on the basis of disability.

The act applies to various infrastructures including amusement rides. In compliance with the guideline standards (dimensions/clearance) for wheelchair accessibility, Wattman designed and now offers this unique caboose.

Option available for: Maxi Express

Honorable Merced County Sheriff Vern Warnke's Chuck Wagon Meal

- Enjoy an evening with Sheriff Vern Warnke as he prepares a chuck wagon meal you'll not soon forget.

Enjoy an evening with Sheriff Vern Warnke as he prepares a chuck wagon meal you'll not soon forget.

Hand carved in front of you from your choice of meat (either Ribeye or New York) then cooked to perfection on a cast-iron griddle all while smothered in bacon, mushrooms, and onion.

As the side dishes are put together (you choose two) and the lobster tail is prepped, you can stand around the camp fire telling stories with the Sheriff.
